## STEVIE NIMMO Trio

As one half of Scotland's highly respected 'Nimmo Brothers', Stevie Nimmo has been a well known and respected figure throughout the blues and roots world for over 15 years. Now, having toured extensively

with the critically acclaimed blues rock outfit over the last few years, as well as taking to the road in a stripped back, acoustic format to continue promotion of his debut solo project 'The Wynds of Life', Stevie is now setting out on a new adventure in a full-on, electric, no-holds-barred trio format.

Quand il ne joue pas avec son frère dans l'excellentissime combo **The NIMMO BROTHERS**, **STEVIE NIMMO** se produit avec son propre trio pendant qu'**ALAN** tourne avec **King King**

## BRIDGE THE GAP

### **MICHAEL SCHENKER'S TEMPLE OF ROCK**

MICHAEL SCHENKER (guitar) \* DOOGIE WHITE (Vocals /Rainbow/Mamsteen) \* WAYNE FINDLAY (keys /MSG).

HERMAN RAREBELL (Drums / Ex Scorpions ) \* FRANCIS BUCHHOLZ (Basse /Ex Scorpions)

Membre fondateur de **Scorpions**, avec son frère **Rudolf**, **Michael SCHENKER** rejoint **UFO** en 1972, qu'il quitte en 1979, pour fonder son propre groupe : **Michael Schenker Group**. Il signe un contrat avec Chrisalys records à l'automne 1979. **MSG** est le nom abrégé du groupe dont les chanteurs furent, **Gary Barden** (futur Statetroopers), **Graham Bonnet** (ex Rainbow, futur Alcatraz), **Robin Mc Auley** (ex Grand Prix) jusqu'en 1992. Guitariste très talentueux, **Michael Schenker** a comme signe distinctif l'utilisation de sa guitare **Gibson Flying V** dont il dispose 5 modèles très caractéristiques avec notamment un design noir et blanc. C'est vers l'âge de 17 ans qu'il a pris possession de cet instrument en l'empruntant à son frère **Rudolf**. Selon **Michael**, la combinaison entre les amplis **Marshall** et la **Flying V** lui apportait exactement le son heavy qu'il recherchait. Depuis ses débuts au sein de **Scorpions** ce son est resté typique "**Michael Schenker**". **Kirk Hammett** du célèbre groupe **Metallica** cite **Michael Schenker** comme une influence majeure pour Lui. **MICHAEL SCHENKER** fête ses 30 ans de tournée en réunissant un line up exceptionnel « **TEMPLE OF ROCK** » : **HERMAN RAREBELL** (Batterie), **FRANCIS BUCHHOLZ** (Basse) (Ex Scorpions), **DOOGIE WHITE** (chant) (Rainbow/Mamsteen), **WAYNE FINDLAY** (clavier) MSG), une sortie d'un DVD LIVE en décembre 2012 & un NOUVEL ALBUM pour 2013.

Le groupe interprétera des titres de **SCORPIONS**, **UFO**, **MSG**

.....et leurs nouvelles compositions du dernier album « **BRIDGE THE GAP** » sortie fin 2013.

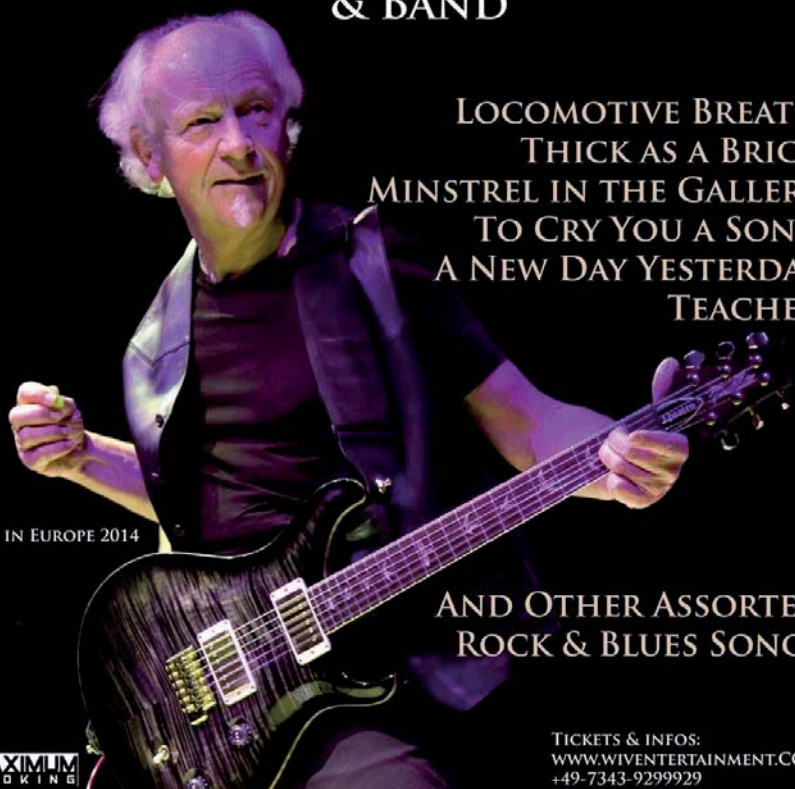

# PHILIP SAYCE

Welsh born singer and songwriter who lives in Los Angeles now, is no longer a secret tip. As guitarplayer in **JEFF HEALEY's** and **MELISSA ETHERIDGE's** band, he showed his talent on their CDs as well as on their world tours. With the release of his first Album > **Peace Machine** < in 2009 Philip started his solo career. Followed by > **Inner Revolution** < in 2010 and > **Ruby Electric** < in 2011, a mix of studio and live recordings from his tour with Deep Purple, mixed by Eddie Kramer, known from his work with Jimi Hendrix. In 2012 > **Steamroller** < was released. With his new CD > **INFLUENCE** < (Album of the month in GUITAR MAGAZINE) and as winner of **ERIC CLAPTON's CROSSROADS CONTEST**, PHILIP SAYCE is back on tour in Europe 2014.
