CARPET CRAWLERS return with a stunning show celebrating the 30th Anniversary of GENESIS' album 'INVISIBLE TOUCH'After many years of performing Peter Gabriel era shows such as The LAMB and SELLING ENGLAND tours, the band continue to surprise their loyal fanbase switching to the Collins era and in particular their 'LIVE AT WEMBLEY' show from 1987 The show will feature classics like 'MAMA, TURN IT ON AGAIN, THAT'S ALL, LAND OF CONFUSION, THE CAGE MEDLEY, LOS ENDOS, THE BRAZILIAN, HOME BY THE SEA and of course the title track from the Album, but knowing The CRAWLERS there will always be some added songs and a few nice surprises too. This show will feature TWO drumkits where singer Brian Cummins switches seamlessly from his Peter Gabriel guise to Phil Collins.

NICOLAS MEIER • DEWA BUDJANA

JIMMY HASLIP • ASAF SIRKIS • SAAT SYAH

The Meier-Budjana Band is a group of superlative guitarists and accomplished musicians, corporately dedicated to creating music which exceeds stylistic and cultural bounds. True sonic explorers, in the most progressive jazz and beyond sense with distinctive ethnic bland of Middle-Eastern and South-East Asian flavors, theirs is a music which is both soulful and cerebral. Embracing a multitude of regional musical dialects from across the globe, MBB speaks in a profoundly unique, original voice – a voice bound by neither convention or preconception.
